SAKONNET POINT, RHODE ISLAND

A small but very active fishing center is the subject of our photos. The point is the farthest you can go on land after you pass through Tiverton and Little Compton. This is very pretty country with rolling farms that slope to the sea and the river that leads to it. The point is the end of a curve that encloses the harbor which is further protected by a rip rap breakwater.

A catch of flounder had just been landed and the fishermen, above, were sorting it.

MATTAPOISETT SELECTMEN'S MEETING
MAY 16, 1989-by VIRGINIA MORGAN

Selectman John N. DeCosta was presented a Certificate of Recognition for his dedicated services as a member of the Plymouth County Charter Commission by fellow board members. The certificate was first presented to Selectman DeCosta on May 2nd by the Plymouth County Commissioners. At that time the Commissioners wished Selectman DeCosta best wishes for continued success.

In accepting the certificate, Mr. DeCosta said he has attended meetings over the past two years in Bridgewater and East Bridgewater two or three nights per month consisting of four to five hours each meeting. "He has reason to be proud of his services", Selectmen Chairman Bernard F. Talty and Selectman William F. Hubbard commented jointly, "as Jack never missed

one meeting in the two years." Selectman DeCosta noted he was sorry the charter went down in defeat at the last election.

Mr. DeCosta has previously served as Chairman of the Plymouth Advisory Board and President of the Plymouth County Selectmen's Association.

In other business, Selectmen:

MET WITH Dog Officers Joseph and Linda Caton, and their attorney, Robert G. Moore, to inform them the board has agreed to transfer duties of the dog officers to Shellfish Constable Brian Nunes.

Chairman Talty wanted first to clear the impression that the Selectmen allowed injured dogs to lie in the road, saying, "This Board has compassion for dogs and dog owners and has never to my knowledge denied picking up an injured dog. We realize the dog officer's job is a tough one."

The Selectmen decided to put the dog officer duties under the shellfish department immediately; and the sole purpose is for reasons of economy. This will provide better service as the shellfish constable and his deputies are available more often.

Attorney Moore asked the board to clarify whether the Catons would be renewed as dog officers or put under the shellfish department. The Catons have served six years and will be happy to help Mr. Nunes to make an orderly transition.

Mr. Caton noted that night shelters will be needed as well as the services of a veterinarian. He said he will return to the town a beeper, CB radio and antenna, dog cage, 12 foot by 12 foot kennel, telephone answering machine and all records.

Attorney Moore remarked one vet donated his service taking injured dogs but will not do it again because of some problems. He also reminded Selectmen that Mr. Caton had combined the positions of dog officer and animal inspector and that he has resigned the inspector's job.

RECEIVED A REQUEST from Fire Chief Donald C. Wood to create a new position - assistant deputy chief - and recommended the appointment of Lt. Leroy Jones to that job. The Chief said there would be no overall effect on payroll.

It was agreed to send the request to the Personnel Board for their recommendation, then the Selectmen will look into it. Lt. Jones has been working on hazardous material management program.

MET WITH Harbormaster Steven Mach to discuss a vacant 40 foot wharf space he

said was formerly owned by Stanley Panek. He recommended the space go to Russell Pierce who has a 34 foot boat and is third on the transfer list. The Harbormaster said the first person on the list has a boat that is too small for the slot, and the second person can't get the boat he wants.

With Pierce's 30 foot space opening up, and since the first name on the list for that size is not ready, the Harbormaster recommended the second person (Victor Demski) with a 26 foot boat have that space. This will also open up a 26 foot space and will go to the first person on the list with an appropriate boat.

Chairman Talty said spaces should be able to be increased and they should be looking at an increase in harbor fees. He suggested opening up the end of Barstow Wharf to a larger boat space to serve as a buffer for the small skiffs, a move that would probably require four or five skiff spaces as they are available.

ANNOUNCED THE OPENING of Ned's Point Veterans' Park for sailboarding for Saturday, May 20th, between the hours of 9 a.m. and 5 p.m. A police officer will be on duty to collect a $10. per person fee, with no more than 50 surfers at one time. The restrooms will be cleaned and opened for that date.

Selectmen agreed to set up a meeting between Mr. Richard G. Cann, President of the Boardsailors' Coalition, and Town Administrator Lois Ennis to discuss the Selectmen's policy on regulations.

discussed with George Viveiros the problems he has been having on his North Street property near Heritage Lane.

He cited a condition of overflowing retention ponds and trenches with surface water for weeks flowing on his property. He said the abutting developer changed the grade of road and there should be another Planning Board public hearing. "I spoke with the Planning Baord and they sent me to you." Selectman Hubbard said "We don't have the authority - the Planning Board should be notified if there are any changes in plans."

Building Inspector Andrew J. Bobola stepped in to the meeting briefly and said, "Yes, there are some problems", and that the sub-division engineer will look into it. "A six foot deep ditch has been dug and is not on the plans," the Inspector said.

When contacted after the meeting, Planning Board Chairman William Matthews said, "Mr. Viveiros brought his complaint to us for the first time that night; and we told him we could not issue a Cease and Desist Order without first checking with the developer of the sub-divison and his engineer. We informed him we will pursue

ACCEPTED WITH REGRET the resignation of Mrs. Sylvia A. Fales, as a member of the Board of Appeals. A letter of appreciation will be sent thanking her for the many hours of dedicated service to the Town.

Mrs. Fales writes: "Because of family commitments, I no longer have the time necessary to provide the Board with the service it deserves. I would like to say it has been both an honor and a pleasure to have served the Town of Mattapoisett in this capacity. I would like to commend the past and present members of the Board of Appeals for their ability to work as a team, but yet remain independent in their thoughts, views and decision making.

"The professionalism and manner in which our meetings are conducted have been highly praised by many lawyers who have come before the Board. I feel confident the decisions made in the future, as in the past, will be first and foremost for the good of the Town of Mattapoisett and its people.

"I would also like to give praise to Melody Mills, our secretary, and Andrew Bobola, our building inspector, for their expertise and hard work."

RECEIVED A REPORT from Police Chief James F. Moran on the successful investigation of the vandalism at Cushing Cemetery several weeks ago. Chairman Talty said this is excellent work by the Police Department with special recognition to Detective Mary Lyons.

The Board went into executive session to discuss contract negotiations with the Police Department Brotherhood.

Scoutmaster Richard Kruger and Assistance Scoutmaster Drew Kolek were accompanied by Scouts Derek Nelsen, Ethan Kolek and Shawn Gleason. They were accompanied by Robert M. Coquillette, advisor.

Mr. Coquillette said there are seven active members of the troop with more registered. He said the boys have been studying the town report, town warrant and learning how the town works.

Selectmen Chairman Bernard F. Talty explained, "We (the Selectmen) can't spend money without voters' approval. Voters approve - we administer." He explained the items on the agenda while the scouts observed the business conducted throughout the meeting.

Selectman John N. DeCosta said the scouts do a wonderful service. He displayed the stack of computerized papers itemizing the bills the town has to pay in addition to the salaries to be paid.

Scout Nelsen asked if all Selectmen have to sign papers. Chairman Talty explained two signatures can be accepted as a majority.

Executive Secretary Resigns

NEW CAREER OPPORTUNITY

In a second major change in the office of the Board of Selectmen, Executive Secretary Carol J. Adams resigned, effective July 21. She gave a 60-days notice as required by her contract. Selectmen accepted with sincere regret and will discuss the matter before making an announcement as to a replacement.

Chairman Bernard F. Talty said, "We are really going to miss Carol, but there is no way we can match the salary offer. We are happy for Carol. This is a wonderful opportunity for a new career."

Carol explained she has accepted the position of Office Manager for Keller Company Inc. of Hingham. The company is setting up an office on the corner of Route 6 and Brandt Island Road to oversee the operation concerning the development of the former Nunes' property on Brandt Island Road into house lots and a professional golf course.

Carol's letter of resignation says, "My past 17 years of employment with the Town of Mattapoisett have been most rewarding and gratifying. However, the time has come when I must tender my resignation. I have been afforded an exciting new career opportunity, which I simply could not refuse.

"Over the past years I have worked with

a number of Boards; each Board having its own unique compliment of members. To be perfectly honest, I have enjoyed working with each and every one. I realize the number of hours many people have given to earn the town the reputation of a 'special' place in which to live.

"During my employment as Executive Secretary I have had the opportunity of traveling and comparing our town with cities and towns throughout the Commonwealth. We should be extremely proud of Mattapoisett Town Government.

"I have met many interesting people and established lasting relationships, for which I will be forever grateful. I wish to sincerely thank the employees of our town for their cooperation and understanding over the years. It is my opinion that Mattapoisett's employees are, by far, the most capable and dedicated individuals to be found and should be highly commended.

"I am giving the sixty days notice, as required by my contract. Therefore, my official resignation date will be July 21; utilizing the fourteen days, prior to this date, as remaining vacation time. I would like to take this opportunity to thank the Town of Mattapoisett for the many wonderful years."

Selectman William F. Hubbard said he has worked the longest with Carol and she has always been dedicated to her work. "She has represented this office very well and always had a smile for everyone."

his fellow board members in saying Carol has given unselfishly of her time and has guided us through some tough budgets. "She has always worked well with all town employees."

In response to comments from the Selectmen, Carol expressed her feelings by saying it has been a good 17 years. "I've met a lot of wonderful people with many different personalities. I'm really serious about the dedicated employees. The town is really fortunate and should be proud to have people like that working for the town. And, there have been many fun times."

Carol served as secretary to the Selectmen before being appointed as executive secretary on October 6, 1981.

has done outstanding work in the community.

Born in Rochester, Arthur attended New Bedford High School. He served in the Viet Nam War, in Hong Kong and Bangkok area.

In the 1970s he joined the Volunteer Fire Department and also was with the Boy Scouts with Cal Daggett. He organized the Mattapoisett River cleanup for the Memorial Day Boat Race every year. He also is in charge of the races which involve youth learning skills of river boating. This year he and Bill Watling have tried to help the young people participating in building their own boats.

Attending the event at the Grange were Selectmen Frederick Underhill and David Hughes, Rev. George Taylor, Arthur's parents and brother, as well as the Fire Chief and Fire Department volunteers.

Sippican Pomona Grange members were filling the chairs.

Following the meeting, everyone enjoyed Bill Watling's famous quahog chowder, and the Rochester Woodchoppers played their country music.

Mattapoisett Housing Authority

CITIZENS' ADVISORY COMMITTEE

The Commissioners of the Mattapoisett Housing Authority have created a Citizens' Advisory Committee in order to expand the input from concerned townspeople regarding the proposed affordable rental units in Mattapoisett. This committee will provide MHA with a broader base of varied expertise and encompass a strong community effort to ensure that Mattapoisett remains special to all.

The Committee will become familiar with the three programs which will serve families, the semi-independent elderly, and adults with special needs who are clients of the area office of the Department of Mental Health.

The Commissioners would like to extend this committee to other interested parties in town who are willing to volunteer their time in this advisory capacity. If you are interested please send a resume to the Commissioners, MHA, 1 Acushnet Road, Box 53, Mattapoisett, MA. 02739 or contact June Mendell, Executive Director, at 758-4664.

Firefighters' Yard Sale

The Mattapoisett Firefighters' Association will hold a Rummage & Yard Sale on June 10th from 10 a.m. to 2 p.m. at the Mattapoisett Fire Station. Donations of articles will be cheerfully picked up if you call 758-2355, 758-4207 or 758-4415.

Center School. The course is ½ mile long, running around the school on Barstow, Church, Hammond and Pearl Streets. Participants should get a sponsor form at Seaport Pharmacy as soon as possible in order to begin soliciting pledges from neighbors, friends and family. Pledges can either be based on the number of laps a participant rides or be a donation of a specified amount.

The day of the Bike-A-Thon participants ride as many laps as they can, resting whenever necessary. They have a card that is punched each time they complete a lap, which they then take back to their sponsors in order to collect their pledges.

Participants can win prizes from the Cystic Fibrosis Foundation based on the amount of money they raise. There will also be several prizes awarded the day of the Bike-A-Thon, thanks to several area businesses. To date we have gift or money donations from Stride Rite, Village Mobil, Dr. William Muldoon, Jr., G.H. Dunn Insurance and the Oxford Creamery with more coming in.

We need your help! Please encourage your children to participate and enjoy the feeling helping others. Please also make a pledge to support a biker. For more information or to make a gift or dollar contribution please call Sarah Ellms at 758-2613 or Janice Kortright at 758-6541. Thanks.

MVNA Anniversary

AFTERGLOW

The Marion Visiting Nurse Association's 75th Anniversary Celebration opened a week-long round of activities with a reception and tea at the South Street home of Mr. and Mrs. Marshall Severance on Monday afternoon, May 15th.

Among the approximately ninety guests attending were several local physicians and others representing area health-care organizations, MVNA honorary members, active members, staff and a host of volunteers whose past efforts in connection with the renowned MVNA fund-raiser, the Annual Rummage Sale, warranted particular recognition. Receiving a special welcome for their extraordinary contributions to the agency were two former administrators, Mrs. Thelma Sequeira and Mrs. Edna Archer whose combined years of service as employees and administrators total 56 years. All guests present received an attractive tote bag imprinted with the agency's emblem as a token of appreciation.

Pouring at the beautifully appointed tea table were Mrs. Severance's mother,

COASTAL ECOLOGY PROGRAM

Pictured are Paul Andrews and Richard Guerena adding more specimens to their class project. As part of Mrs. Scully's fourth grade coastal ecology unit at Old Hammondtown School, the class has been busy setting up a 55 gallon salt water aquarium in the lobby of Old Hammondtown much to the enjoyment of all students, staff, and visitors.

Mrs. Anne Makepeace; President Mrs. Margot Arms, Vice President Mrs. Lori Schaefer, and Board Member Mrs. Dorothy Verville.

Sunshine, warmth and beauty both outside and in provided a perfect setting for an afternoon of reflection and remembrance. Although the agency has undergone tremendous change in its 75 year history, the Marion Visiting Nurse Association provides today, as it has throughout the years, competent and compassionate home health care to a grateful public in Marion and surrounding communities.

The children also have a smaller aquarium situated in their classroom.

For several weeks now, the children, under the direction of Martha Peterson from the Lloyd center for Environmental Studies, and Mrs. Scully have been making trips to Shining Tides to seine for fish and shrimp for their aquarium. To date we have on hand 4 pipe fish, 2 small eels, silver sides, a young tautog, killifish, several kinds of crabs, many mummichogs, and sticklefish, one of which is pregnant. Mrs. Scully has added a few littlenecks which have burrowed out of sight.

Several more seining trips are planned as well as an afternoon at Eel Pond with Brian Nunes and a coastal ecology clean-up day at Shining Tides.

Spirit and excitement are running high as Mrs. Scully's class works towards completing their project.

We invite you to stop by and take a peek.

Firefighters' Auxil. Scholarship

The Mattapoisett Firefighters' Auxiliary is now accepting applications for its annual scholarship award.

Criteria for this scholarship is as follows:

1. Applicant must be a child of a Mattapoisett Firefighter or Auxiliary member.

eye talk

Q. My husband says sunglasses are unnecessary because nature has given us sufficient protection. Is he right?

A. Natural sun protection was once sufficient but it no longer is.

Glare bouncing off car trim, pavement and buildings is one thing with which our ancestors did not have to contend. Then, too, we spend most of our day indoors and our eyes have become acclimated to less brightness.

Our longer lifespan also plays a part. Recent research indicates that long-term exposure to the sun's ultraviolet radiation can contribute to some types of cataracts. Out eyes' lenses have natural UV protection but it is not enough for our average lifetime.

In addition, people who have cataract surgery, one of the most common operations performed today, lose all of their natural UV protection.

There are many types of sun lenses available today. So ask your optometrist's advice in finding the ones that will best meet your needs.

CARPET
for $7.95 sq. yd. . .
Being in the carpet business for over 10 years does have its advantages. We have found a way to offer a selection as wide as that of our competitors, at lower prices. The "way" is simple. Our costs are lower.
We've noticed that the public tends to assume that bigger "must" be better. In the carpet business, this has traditionally meant that a wide selection and lower prices can only be possible through a large inventory. This simply isn't true.
At Carpet Mart we order, direct from top manufacturers, only the carpets that our customers want. With no major inventory costs, and no middlemen, we are able to pass the savings on to our customers.

Tennis Club Dinner-Dance

TO BENEFIT AREA HOSPICE

Some tickets are still available for the June 10th benefit dinner-dance sponsored by Friends of Hospice, according to coordinator Betty Cooney of Marion. The event, to be held at Marion's Sippican Tennis Club, will provide funds to help Hospice furnish quality care to terminally ill persons and their families.

Following a 6:30 social hour a catered buffet dinner will be served. A popular Boston-area band will present a New Orleans jazz concert, and will play for dancing throughout the evening. A cash bar will be available.

Reservations, which are limited, are required, and may be made by phone to the Hospice office in Wareham (295-8544). Tables for ten may be reserved, subject to availability. Tickets for the evening are

Letter to the Editor

Probably most people in town do not know who Todd Bryda is, but many of you have benefited from his work this past year. Todd, a graduating Senior at SMU, has been the part-time Curator at the Museum and Carriage House, 5 Church Street, Mattapoisett since June 1988.

Along with his duties of generally taking care of the Museum and guiding people through the various exhibits, he has spent much of the fall and winter doing needed conservation and preservation work with paintings and documents which are a part of our collection. In addition, he has spent countless hours on inventory work, including entering all of the information on computer disc for future reference. He also developed a program to be used with Elementary and Junior High School groups in acquainting them with the Museum and our town's history. Several school groups have taken advantage of Todd's program this spring.

Open Forum on Variances

SET FOR JUNE 1 IN ROCHESTER

All members of Boards of Appeals throughout the Buzzards Bay watershed have been invited to an informational meeting on the granting of variances on June 1st at the Rochester Town Hall at 7:30 p.m. Co-sponsors of this open forum are the Coalition for Buzzards Bay and the Lloyd Center for Environmental Studies. Members of other municipal boards and the general public are also welcome to hear discussions that will include the following points:

1. Definition of a legal variance.
2. Definition of what constitutes a hardship.
3. Effects of the granting of illegal

variances on groundwater and coastal waters.

4. How to protect oneself is sued.

Wilbur G. Tirrell, legal specialist with the Southeastern Regional Planning and Economic Development District (SRPEDD), will be on hand to explain the legal aspects of granting variances, and George Hampson, Woods Hole Oceanographic scientist, will give examples of the harm that comes from granting improper variances.

Seth Garfield, president of the Coalition for Buzzards Bay, notes, "We learned through our work in the communities around the Bay this past winter, connected with our Environmental Report Cards that went to 12 of the 17 watershed communities, that very little, if any, training is offered to citizens serving on Boards of Appeals. Because of this lack of information and definitions of what is legal and what is not, many variances that are granted are improper."

Mr. Garfield continues, "We also learned that people serving on various boards in the region are eager to learn more about how to perform their duties so as to fulfill the law. This led us to set up the June 1 forum to hear from these officials and the public and to share what SPREDD and WHOI can tell us."

Fair Silent Auction

Do you have a special talent, service or item to donate to the PTC Silent Auction at Fair Magic? This is an event the entire family can become involved in through donation, bidding, winning or actually providing the service. Join in the fun. Think of what your family would like to donate and telephone the idea to either Cindy Pendergast (758-2892) or Louise Preissler (758-4566).

We also encourage anyone affiliated with a local business to consider donating to this worthy cause. Thank You.

Magic Showcase Talent Show

SHOWTIME: FAIR MAGIC

Can you sing, dance, play an instrument, tell a joke or a story?

Then we want you!!!

What? Come enter the Magic Showcase Talent Show.

When? At Fair Magic, the Parent-Teachers' Club Spring Fair, June 3rd.

Who? Any Center or Old Hammondtown School student is eligible to participate.

We will be having a non-competitive Talent Show during Fair Magic at Center School on June 3rd. Any child interested in participating has until May 31st to contact Dede Smith at 758-3487.

MMR Annual Meeting

MMR Tri-Town "Dollars for Scholars" will hold its annual business meeting on Tuesday, June 13th, at 8:00 p.m. The meeting will be held in the teachers' dining room at Old Rochester Regional High School. The meeting is open to the public.

The MMR Board of Directors is seeking new members to replace retiring teachers. Any tri-town resident interested in joining the Board should contact Barbara Meehan (758-3745) or Sue Hottel (758-4417). MMR was established in January of 1983 by a group of concerned residents. Since 1983 MMR has awarded over $90,000 to more than 100 tri-town residents. Recipients include

Girls' Track

The Old Rochester Regional Girls' Track Team was 5th in the State Relays held at Weston High School. The girls did a superb job and scored well in a number of events.

The team of Edlyn Engle, Jen Hambly and Casey Gunschel took the 3 gold medals in the High Jump. In the throwing events two groups had high finishes. The Discus team of Rachel Bates, Kathleen Backus and Laurie Nye took bronze medals. The Javelin Team of Debbie Reardon, Judy LeBlanc and Naomi Souza also took bronze medals. The Shot Put, Long Jump and Triple Jump Teams just missed placing as they all ended up in 7th place.

The Shuttle Hurdle Team of Jennifer Nightlinger, Jan Hambly, Regina Bernard and Christine Bertrand took a 4th place. Also placing was the 4 x 220 Team of Karen Mendes, Heather Harriman, Jennifer Morris and Nicole Mott.

Two other teams also received bronze medals in their events. The 4 x 880 Team of Casey Gunschel, Sheryl Briggs, Stephanie Anderson, and Mollie Munroe, together with

Elderly Nutrition Program

The Elderly Nutrition Program is held daily in the Community Room at Village Court, 1 Acushnet Road, Mattapoisett.

The luncheons are served daily Monday through Friday at noon to those residents of Mattapoisett 60 years or over for a donation of $1.25 each day. The spouse of any senior is welcome regardless of age. This program is subsidized by the Mattapoisett Council on Aging for the seniors of Mattapoisett, to provide a good, nutritionally balanced luncheon in a friendly, congenial atmosphere.

Any senior needing transportation to the meal site can make arrangements for pick-up through the Council on Aging office by calling 758-3758 Monday through Friday 9 a.m. to 12 noon.

To insure a meal for any particular day, the individual should call the New Bedford Nutrition Program 24 hours in advance. The

Lloyd Center Weekly Walk

RARE BUTTERFLIES OF PINE BARRENS

Mark Mello, Research Coordinator for the Lloyd Center for Environmental Studies and one of the leading lepidoptera scientists in northeastern United States, will be leading a Lloyd Center Weekly Walk entitled "Rare Butterflies of the Pine Barrens" on Sunday, May 28, from 1:30 to 3:30 p.m.

Mr. Mello will guide participants of the free program through an environmentally protected area where natural habitats and plants and animals exist unfettered by human activity. Hiking through an area of the Myles Standish State Forest, participants will search and identify common and rare species of butterflies.

These and other weekly walks are spon-

Essay Contest Winners

On May 15th the Delta Kappa Gamma Society, Psi Chapter, held its annual banquet at the Trinity Lutheran Church in Fairhaven to honor the winners of their annual essay contest. Seventeen schools participated this year with 629 entries in high school and junior high school divisions. The topics ranged from violence in entertainment, to the effect of drugs on all society, to the qualities a presidential candidate should possess to that of selecting a major social problem and addressing specific remedial action.

Essays are judged on content of ideas, the uniqueness of approach, maturity of thought with neatness and correct grammatical structure mandatory to the essay format.

Each year we are pleased with the response we receive and the results that are achieved. This year's winners are:

High School Division: First, Stephanie Castor, New Bedford High School; Second, Julie Richard, Old Rochester Regional High School; Third, Tim Titcomb, Old Rochester Regional High School.

Junior High School Division: First, Kelly Haskins, Keith Junior High School; Second, Braden Giordano, Old Rochester Regional Junior High School; Third, Christian Jardin, Normandin Junior High School.

From Old Colony

HONOR SOCIETY HOSTS ASSEMBLY

Recently the National Honor Society at Old Colony Regional Vocational Technical High School hosted an assembly for the entire student body.

The assembly featured Mr. Ron Burton, former New England Patriot, who spoke to the students about maximizing their talents and abilities in school and after their graduation. Mr. Burton's speech centered around his own difficult childhood. He explained how he brought himself up from the bottom of his class to an All-American at Northwestern University. Mr. Burton is currently an executive consultant to John Hancock Life Insurance Company.

Mr. Burton visited all of Old Colony's shop programs after the assembly, and spent most of the day talking and encouraging students. Victoria Camacho, the

LATE APPLICATIONS FOR OLD COLONY

Late applications are still being accepted for the 1989-1990 freshman class at Old Colony Regional Vocational Technical High School.

Any eighth grade student whose parents are legal residents of Acushnet, Carver, Mattapoisett or Rochester is eligible to apply. Application forms are available the guidance offices of area middle and junior high schools or directly from Old Colony.

Old Colony offers not only a high school diploma but also vocational certificates in Culinary Arts, Drafting, Data Processing, Cosmetology, Health Careers, Machine, Welding, Automotive, Electronics, Carpentry, Electricity, and Offset Printing. Freshman students participate in an eight week exploratory program beginning in September.

Anyone desiring further information is urged to contact Paula Simmons at Old Colony by calling 763-8011, extension 28.

SOUTHEASTERN STUDENTS VISIT OC

Southeastern Regional Vocational High School students enrolled in non-traditional programs recently visited Old Colony Regional Vocational Technical High School in Rochester. The students were accompanied by Rose Fernandes, Equity Coordinator at Southeastern, which is located in North Easton, MA.

At Old Colony the students were welcomed by David J. Ferreira, Assistant Superintendent-Director, and Georgene Drewniak, Educational Outreach Recruiter. Students were given a tour of the school, visited shops, and after lunch met with Old Colony students in non-traditional shops to exchange ideas and information on non-traditional careers in vocational education today.

Mrs. Drewniak, who coordinated the program, has been employed by Old Colony under a federal grant since October. She has been active in supporting Old Colony

SCHOOL IMPROVEMENT COUNCIL SEEKS MEMBERS

Old Colony Regional Vocational Technical High School is seeking new members for its school improvement council. The school improvement fund has been established by the legislature for the purpose of receiving annual appropriations that will be allocated to school improvement councils in the form of grants. Schools that establish school improvement councils can apply to the Department of Education to receive grants from the school improvement fund that equal the number of full-time equivalent students enrolled the previous year multiplied by $15.00.

The School Improvement Council is composed of the school principal, three teachers, three parents of children in the school, two student and one community representative.

Parents and community representatives interested in becoming members of the Council for the 1988-89 school year may contact David J. Ferreira, Assistant Superintendent-Director, at 763-8011.

STUDENT COUNCIL ELECTS OFFICERS

Four students have been elected to serve as officers of the Student Council at Old Colony Regional Vocational Technical High School for the 1988-1990 school year. The four officers will be responsible for the organization and operation of all Student Council activities.

Elected as president was Tara Medeiros, a Rochester resident in the Data Processing Department. Keith Jodoin, an Acushnet resident in the Drafting Department was elected vice-president. Elected as sec-

DEXTER RHODODENDRON
FESTIVAL AND SALE

Thousands of internationally famous Dexter rhododendrons and azaleas stretching as far as the eye can see will peak in a brilliant display of colors over Memorial Day Weekend and into the second week of June at Heritage Plantation of Sandwich on Cape Cod. In conjunction with this year's blooming season, the Mueum will hold a Rhododendron Festival on Saturday, May 27th, from 10:30 a.m. to 4:00 p.m. The Festival will begin with a lecture on caring for young plants. Jonathan Leonard, rhododendron grower and owner of Briarwood Gardens, East Sandwich, will talk at 10:30 a.m. in the Theatre of the Round Barn. The plant sale will begin at 12 noon in the picnic area outside the Main Gate. During the sale both Jeanie Gillis, horticulturist, and Mr. Leonard will be on hand to answer questions and assist in plant selection. Heritage Plantation's outstanding collection of rhododendrons are named for Charles O. Dexter, a New Bedford industrialist. He retired in Sandwich in 1921 and created many of the world's best hardy rhododendrons.

Tickets are $7. for adults, $6. for seniors 65 or older, children under 12 are $3.00, five and under are free. The Museum encourages families to enjoy a picnic lunch in the picnic area outside the Main Gate. Picnicking is not allowed on the Museum grounds. For more information call 888-3300.

Flower Show, House Tour

The Wareham Garden Club will present "Reflections", a standard flower show and house tour celebrating the 250th birthday of Wareham, on Saturday, June 3rd, from 1:00 to 5:00 p.m. Co-chairmen are Ruth Kelenosy and President Carole Bacchieri.

This is a standard flower show which conforms to standards established by the National Council of State Garden Clubs. The Horticultural Division will be shown in the old Methodist Meeting House on Main Street and the Design Division in the Fearing Tavern on Elm Street. This tavern is believed to be the oldest house in Wareham. Also featured will be the schoolhouse built in 1820 and moved from its former location at Great Neck Road to Main Street in 1988, four of Wareham's oldest homes, and a tour of the Tremont Nail Factory founded in the mid-19th century.

Refreshments will be served in a tent at the Old Methodist Meeting House. Tickets ($8.00) are available at The Sitting Duck in Marion, Win's Camera and Card Shop in Wareham, Priscilla's Low Tide Designs on Main Street in Buzzards Bay, or by calling Arlene Pierce (295-7222) or Mary Savignano (295-8264).

Herb Garden Workshop

Spring is the perfect time to join a hands-on herb garden workshop. The workshop will be held at the Massachusetts Audubon Society's Ashumet Holly and Wildlife Sanctuary in East Falmouth. The class is sponsored by the Friends of Ashumet who maintain the sanctuary's herb gardens.

The instructor for the workshop will be Constance Sutherland of Osterville. Prior to the workshop, the volunteers will be preparing new beds designed by Ms. Sutherland. Participants are welcome to help on this part of the project, on Thursdays at 10 a.m. which is volunteer day at Ashumet.

The workshop will be held on Saturday, May 27th, and will focus on starting from scratch, planting and designing a formal herb garden with a culinary border. Other topics will include the four types of herb gardens incorporated into the design, culinary, scented, flowering, and butterfly-hummingbird gardens. Annual, and perennial herbs will be discussed in the selection of plants, as well as tips on mulching, harvesting, and winter protection.

Fee for the workshop is $8.00, $5.00 for Mass. Audubon members. For more information and to register please call 563-6390.

The Performance Racquet with The Clear Advantage

Introducing the

prince®

Graphtech DB with

Double Bridge Design

Players of all levels can now enjoy solid, comfortable tennis for hours at a time. The medium firm flex of the new Prince GraphTech DB produces substantial power with a soft, forgiving feel. All-court players will also appreciate the racquet's sleek, aerodynamic shape resulting in greater maneuverability.

The First Racquet That Dampens Both String And Racquet Vibration

The Double Bridge Design is a major Prince accomplishment in racquet technology. Recognizing that racquet vibrations are transmitted down the sides of the frame and meet in the throat area, Prince engineers determined that by inserting a clear elastomer between the two bridges, vibrations and ball impact shock were dampened before reaching the handle.

To dampen string bed vibration, the six main strings pass through the individually molded holes in the clear elastomer insert. This clear elastomer creates a tight seal with both the string and the upper and lower bridges of the racquet, simultaneously dampening both string and racquet vibrations.
